**What is
“Design Thinking”**

DESIGNERS ARE
PROBLEM SOLVERS

DESIGN IS ABOUT:

 EXPLORE

 EVALUATE

 EXECUTE

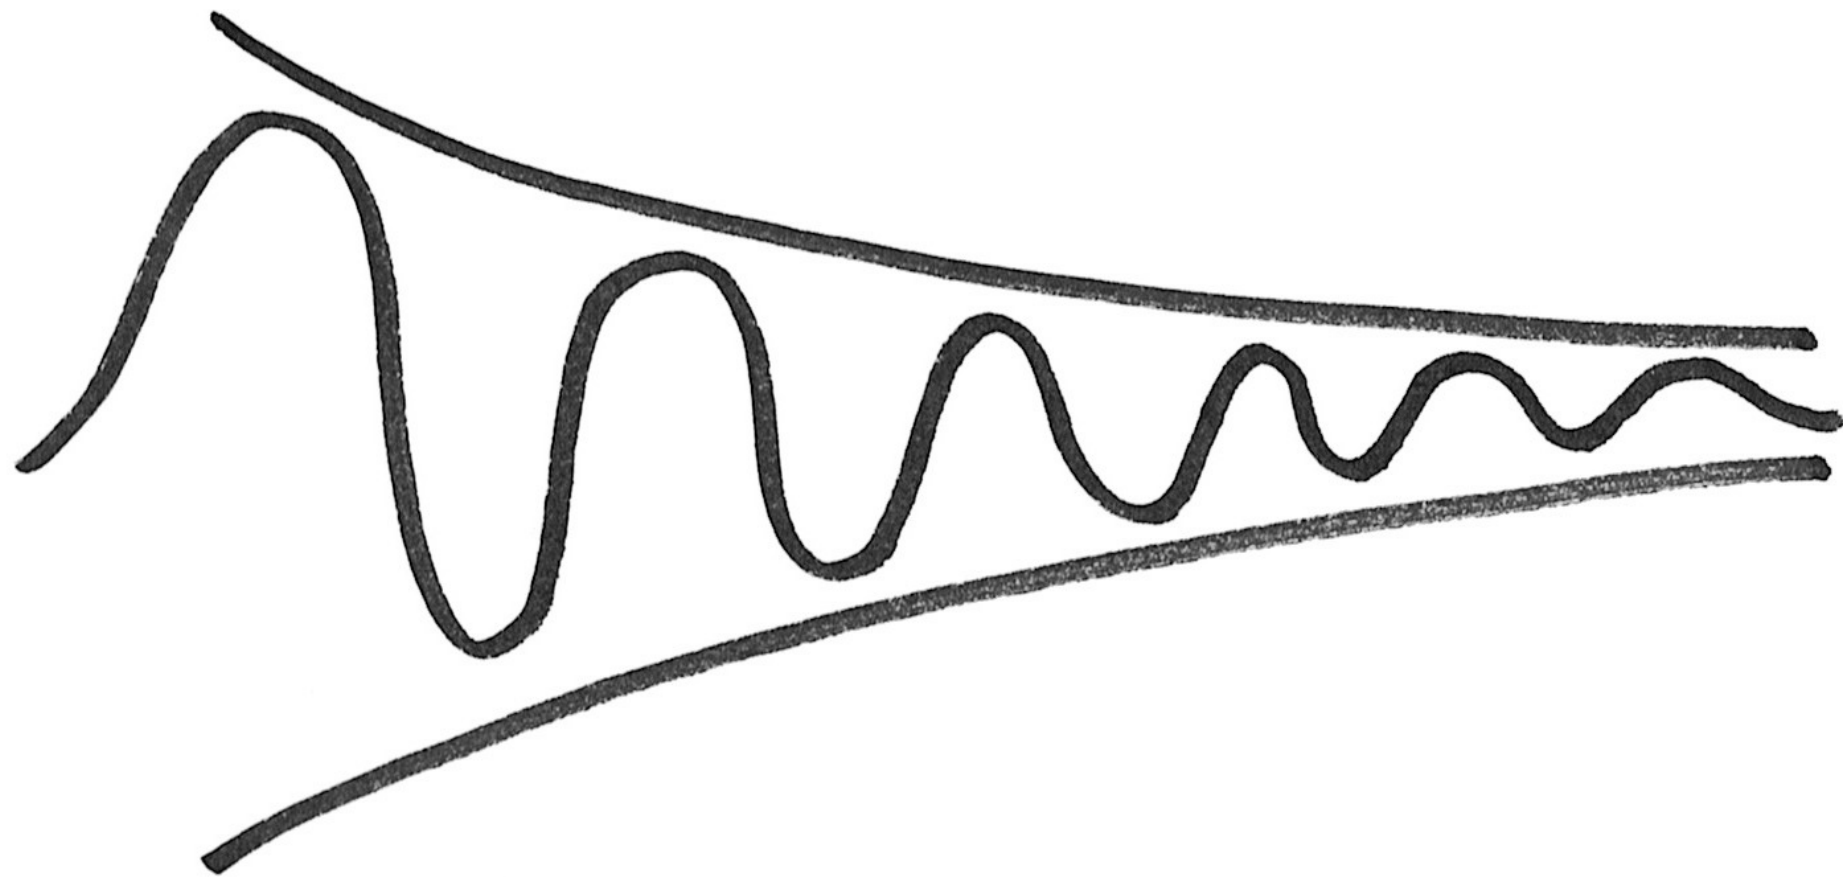

DESIGN THINKING IS

SOLUTION-BASED

ITERATIVE

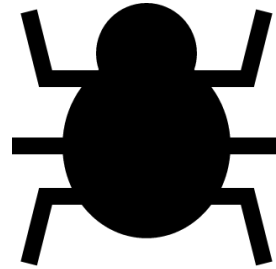

**What is
“Scrum”?**

NOT

Project
Definition

A thick black arrow pointing downwards, with the words "Project" and "Definition" written in a bold, black, sans-serif font along its shaft.

Test
Integration

A thick black arrow pointing upwards, with the words "Test" and "Integration" written in a bold, black, sans-serif font along its shaft.

**What sucks
about Scrum?**

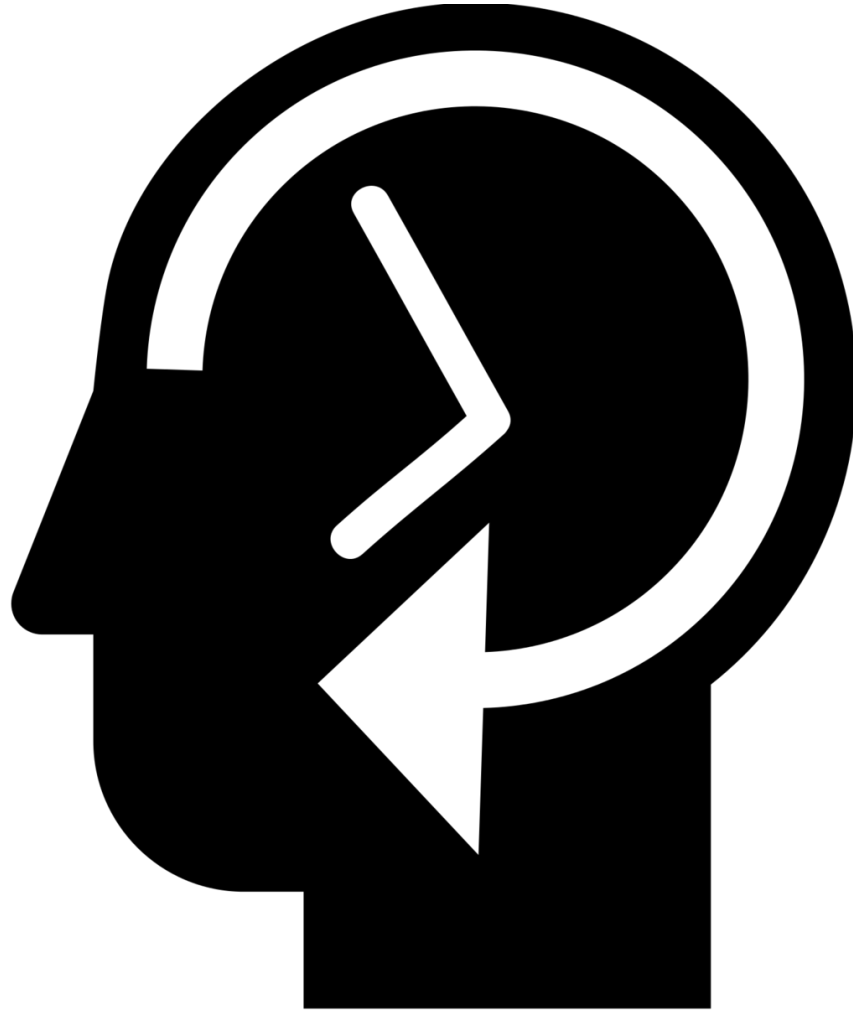

**What sucks
Design Thinking?**

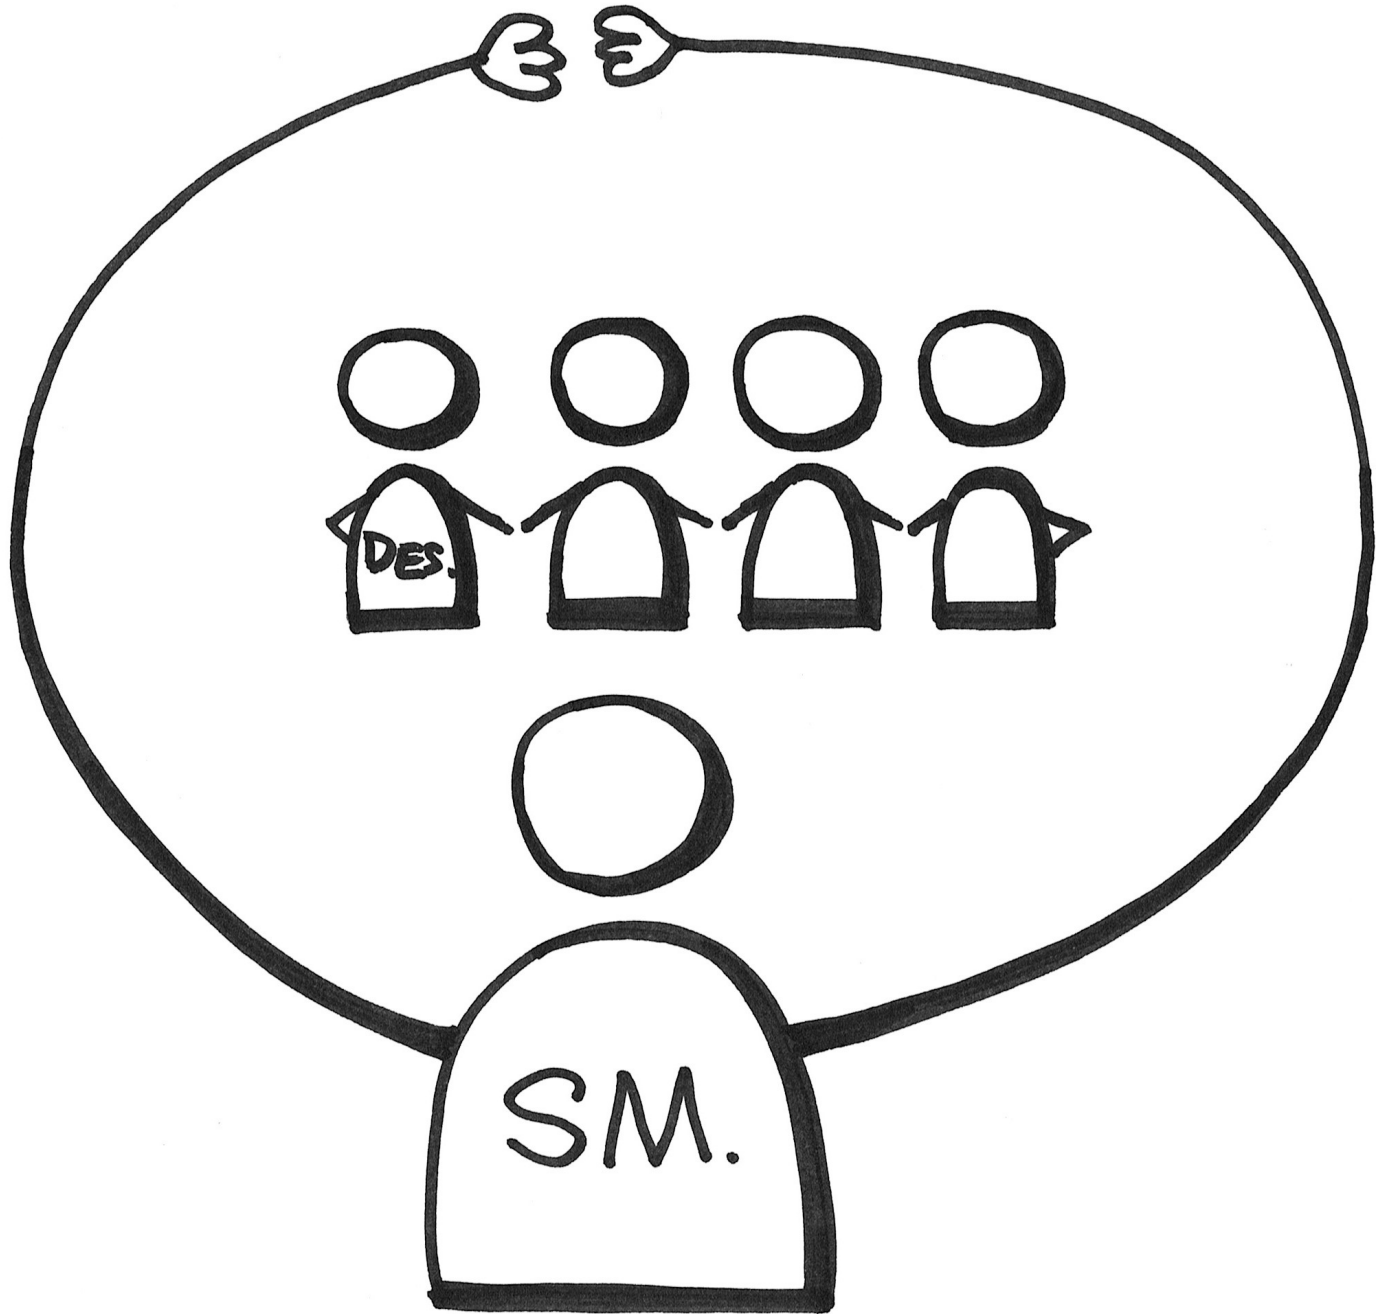

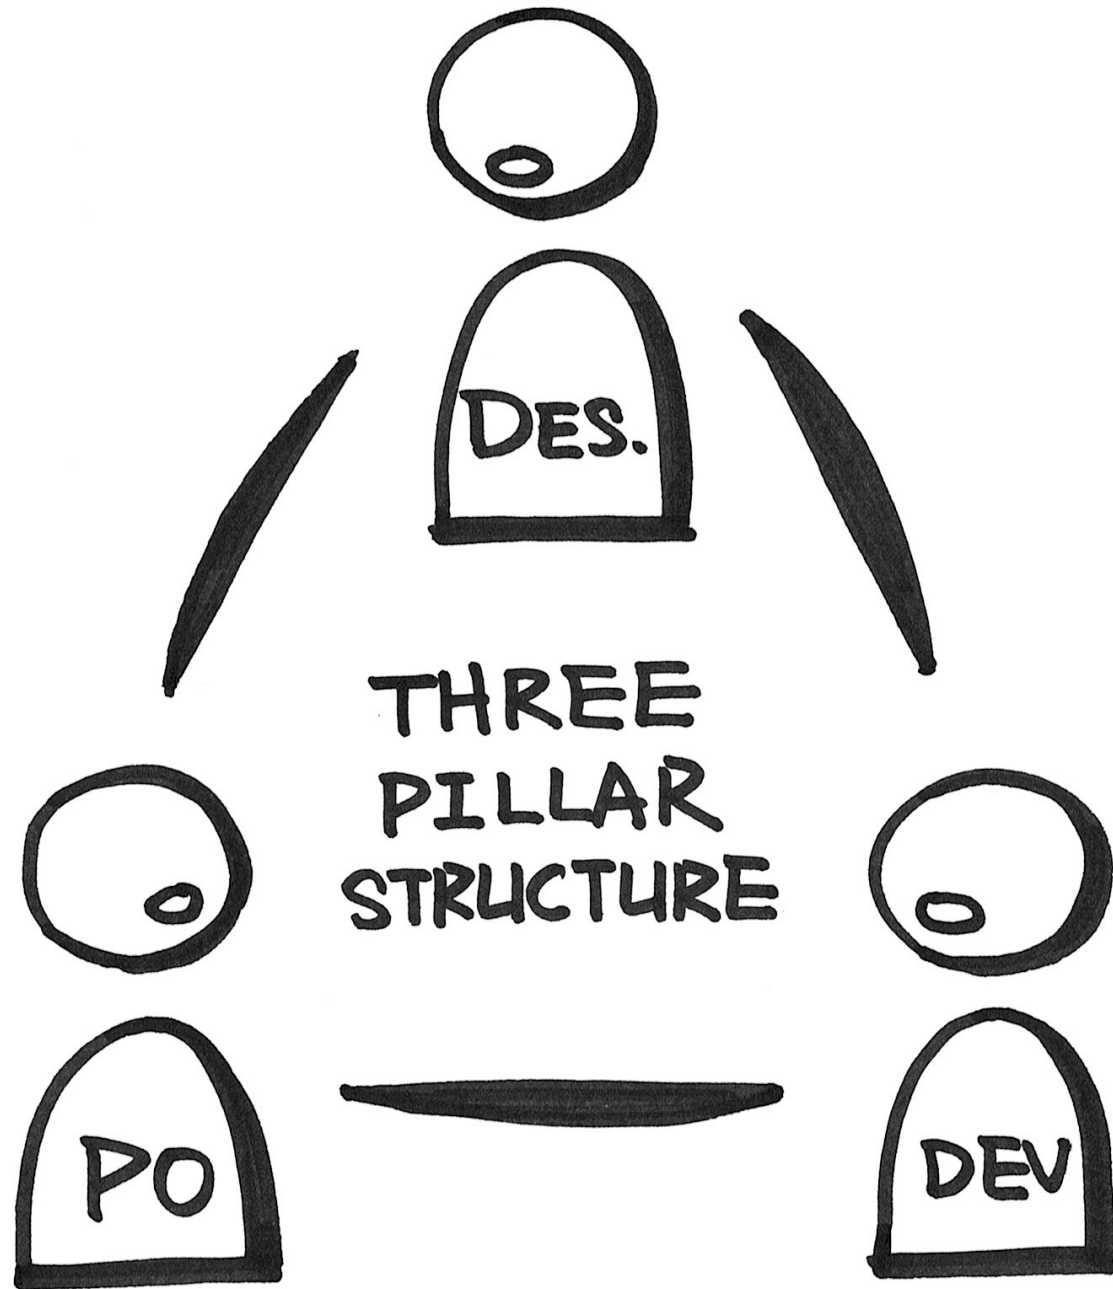

?

!

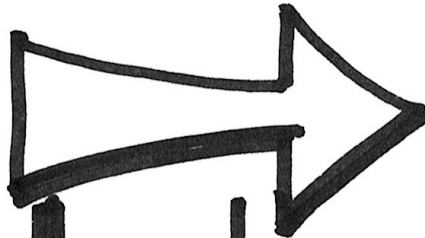

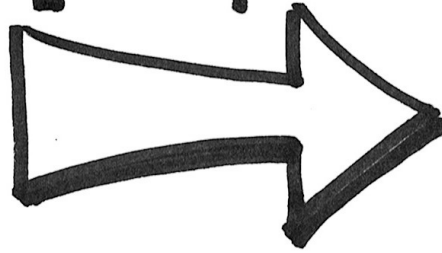

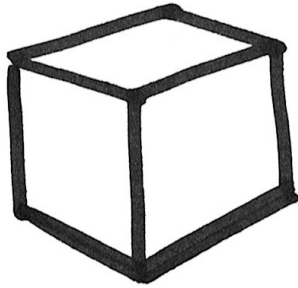

**How does Design Thinking
work with Scrum?**

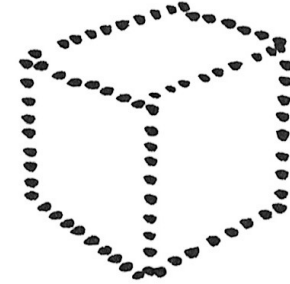

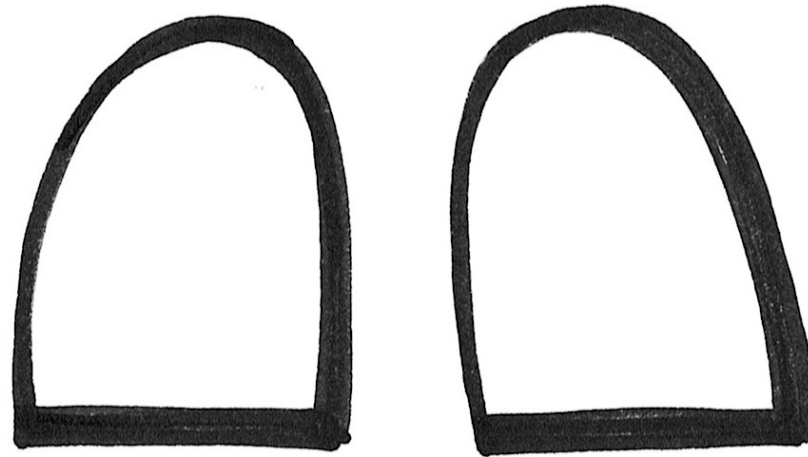

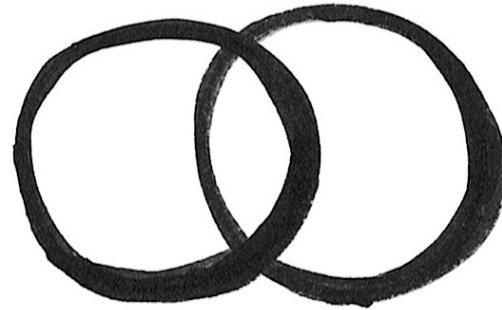

LIX
INBOX

SCRUM
BOARD

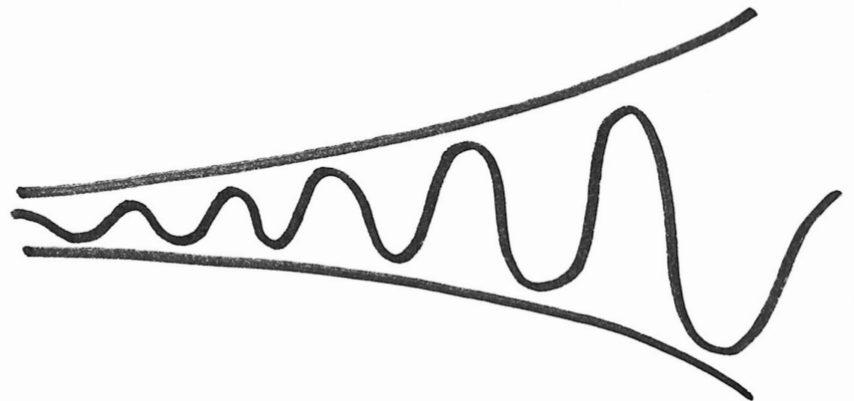

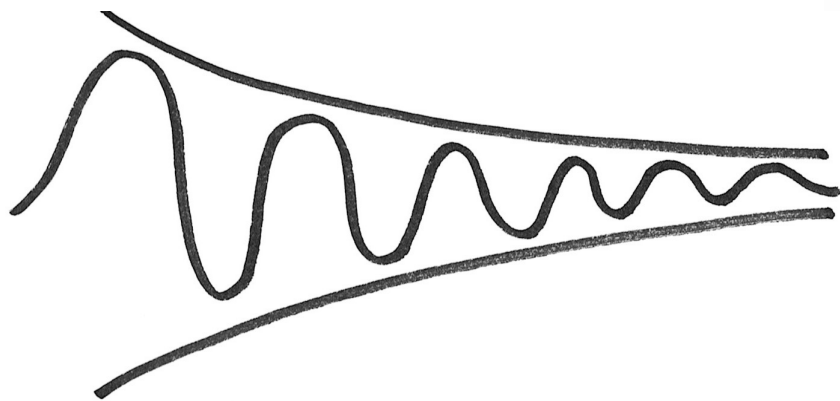

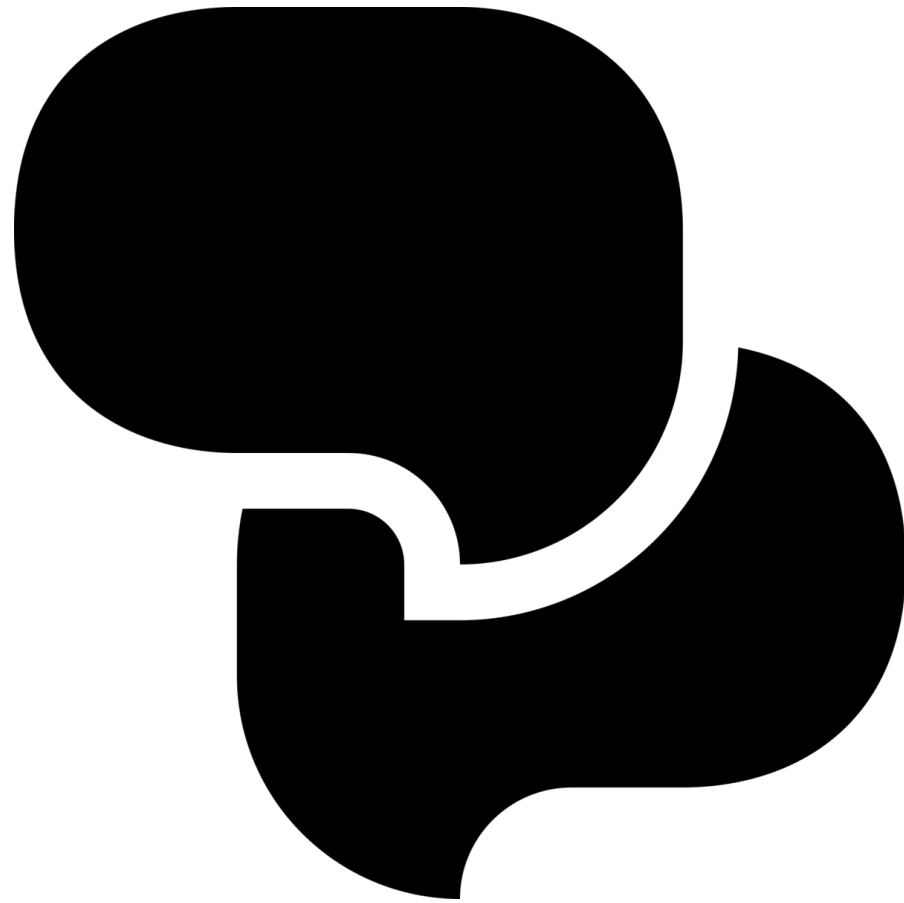

GREAT
PRODUCT

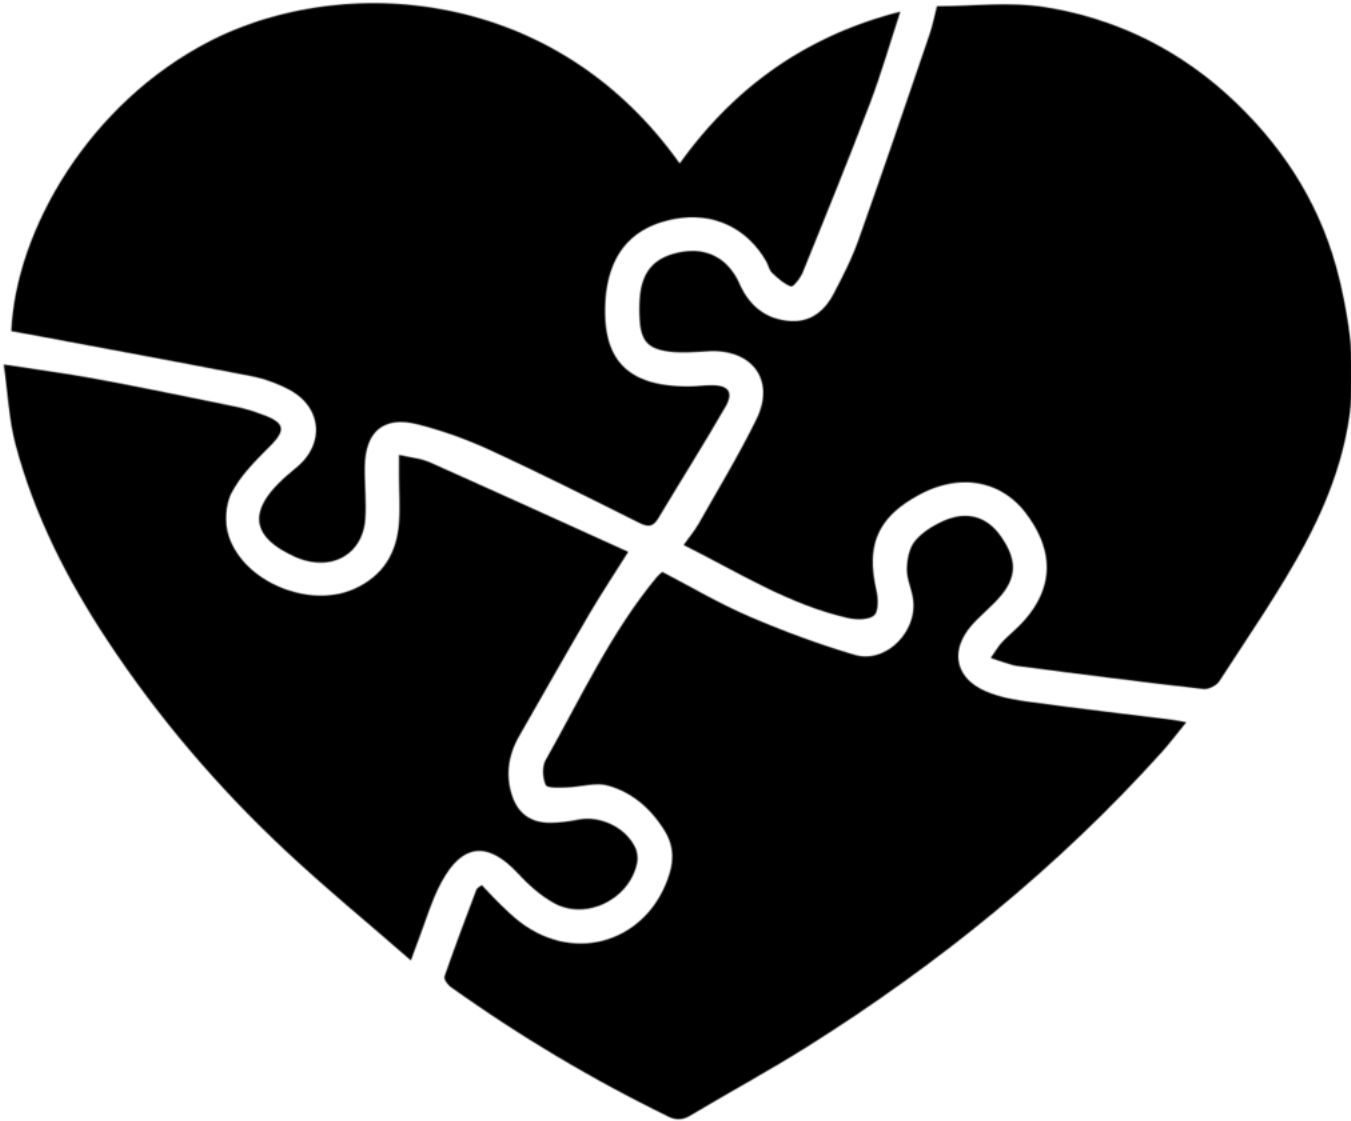

The image features two overlapping speech bubbles drawn in white chalk on a dark blue chalkboard. The bubble on the left is partially obscured by the bubble on the right. The text is centered within the overlapping area.

**How does Scrum
work with Design Thinking?**
